About:

Result-driven and a highly motivated Software Developer with technical mindset and huge desire to grow. Ready to bring value to the company and work in a team to meet company goals.

I don't like to define myself by the work I've done. I define myself by the work I want to do. Skills can be taught, personality is inherent. I prefer to keep learning, continue challenging myself, and do interesting things that matter.

Education:

June 2020 – January 2021

Back End Ruby on Rails Software Developer course.
Code The Dream

June 2020 – December 2020

Attended Front End Web Development course.
Code The Dream

October 2014 – June 2015

1 Cycle Bachelor's Degree in Computer Science.
Grupa Uczelni Vistula (Poland)

September 2013 – June 2014

M.S in Civil Engineering
Zaporizhzhian State Engineering Academy (Ukraine)

September 2009 – June 2013

B.S in Civil Engineering
Zaporizhzhian State Engineering Academy (Ukraine)

Technical Skills:
