Ievgen Dotsenko

About:

Result-driven and highly motivated software developer with a huge desire to grow. I'm ready to bring value to the place where I work, contribute on my own or as part of the team to meet company goals.
I believe skills can be taught, but personality is inherent. I prefer to keep learning, continue challenging myself, and do interesting things that matter.

Education:

March 2021 – July 2021
Back End Ruby on Rails Software Developer course.
Code The Dream

June 2020 – December 2020
Attended Front End Web Development course.
Code The Dream

October 2014 – June 2015
1 Cycle Bachelor's Degree in Computer Science.
Grupa Uczelni Vistula (**Poland**)

September 2013 – June 2014
M.S in Civil Engineering*
Zaporizhzhian State Engineering Academy (Ukraine)

September 2009 – June 2013
B.S in Civil Engineering*
Zaporizhzhian State Engineering Academy (Ukraine)

Experience:
